Overview

Looking for a chic home in the city near all the newest Logan Square hot spots? You found it! This spacious, highly updated 3 bedroom 2 bath condominium has it all. Set in an elevator building with an attached heated garage, this home offers a bright Southern exposure with a large deck great for grilling and growing flowers or vegetables. The unit is situated on the quiet side of the building opposite the main road address. There are hardwood floors throughout, gorgeously updated kitchen, 2 well-appointed updated bathrooms and a wonderful open concept floor plan. There's an abundance of closet space, an additional storage cage next to your garage spot AND the garage space is assigned without any additional fees. Free garage parking!! The building has an amazing furnished common roof deck with breathtaking panoramic skyline views. This location is one of the most sought-after locations in the city, close to many modes of transportation along with a variety of restaurants, coffee houses, shopping and nightlife.
