Overview

Move right into this comfortable 3-bedroom 2 bath home which has updated flooring throughout and offers a living room, dining room, kitchen, laundry room, full bath and mudroom on the main level and 3 bedrooms, a walk-in storage room and full bath on the upper level. The garage is plumbed and is currently used as storage, it would make a great single bay/storage garage with a few adjustments. The property is located in Scottsdale Borough, Southmoreland School District with a short drive to shopping, major highways and the laurel mountains.
