## Overview

Rare opportunity to have 1.10 acres (5 lots) off of hole #15 on a golf course, in a beautiful and efficient brick home. Walk in to the open floor concept to admire the beautiful fireplace and large kitchen. Stainless steel appliances, tons of cabinet storage, wine fridge, and elongated bar top w/ seating to offer a great space to entertain. Modern living room, enjoy the long windows allowing tons of natural light and gorgeous views. Large pantry space that walks into a large room to have an office/workout room. Spacious bedroom on the S. boosts 2 large closets. Separate room for storage that leads down the hall from kitchen. Relax in the primary bedroom w/ the natural light surrounding the W. side, leads into large en suite w/ fireplace on the wall and a beautifully tiled shower with a multi spray wall shower system and dual vanity. Huge walkin closet that leads into the laundry room. Walk out to the patio area taking in the serene area and sunsets next to your own fire pit. Community pool, Club house, and golf course via HOA. Located minutes away from Perry Lake and Marina. Roof 3 yrs less.
