## Overview

This 3-4 bedroom Cape offers a generous amount of living space with its huge Family Room over the garage that opens to both the big living room and the kitchen. This main floor also has 2 bedrooms and a full bath. The upstairs contains your choice, 2 bedrooms or 1 large one. The backyard is big and with a little attention can be made into a park-like setting. This bank foreclosure needs some tender loving care but when finished would be a terrific place to make a home. This property is being sold as is where is and the bank will not make any repairs. Inspections are for informational purposes only. Cash or rehab loans only.
