This amazing 3 bedroom 2 bathroom two story with an office can be used as a single family home, related living, or rent one or both units. The upstairs is a fully remodeled 2 bedroom 1 bathroom. All beautiful hardwood floors on this open concept level. The kitchen is a chef's dream! All appliances stay including the washer and dryer! Both bedrooms have nice closet space. The enclosed porch also serves as the laundry room. The lower level has 1 bedroom, one bathroom, full kitchen, and a den. All hardwood floors on that level with charming built-ins. There is unfinished space on that level with laundry and storage. This level has been used as rental for many years so has income potential.
