## Overview

You'll want to take a look at this 4 bed, 2.5 bath home on over 8 acres with a 2 car attached garage and multiple pole barns! The home features a large primary suite with 2 additional bedrooms upstairs. Wood flooring throughout most of the home and huge deck perfect for entertaining off the back. The lot is partially wooded with TWO 30x40 barns with dirt floor and 5 stalls in one of the barns. Country living with natural gas and city water, a new septic tank in 2020, new flooring in the kitchen, and more updates to come.
