Overview

This home features a gourmet kitchen with stainless steel Kitchen-Aid appliances, under cabinet lighting, and a spacious walk-in pantry. Also on the main-floor is a gas fireplace with custom wood shelving, main-floor office, and mudroom with a custom boot bench. The primary suite boasts a vaulted ceiling, a luxurious tile shower, and a walk-in closet with custom shelving. Additional highlights include a walk-out basement, a whole-home audio system, Pella windows, a second-floor loft, and a fully fenced backyard with lush landscaping and an irrigation system. 1 minute close to Pilot Park that has a large play ground, soccer goals, and will soon have a new sand volleyball court all managed by the city of Lake Elmo. 15 minute distance to downtown Lake Elmo via the community walking paths.
