Overview

60 beautiful acres of land located between Gainesville (Jonesville) and the City of Newberry Florida. The property is in the perfect location for a Clustered Rural Residential Subdivision for a creative developer/builder. The property could be developed as agriculture gardening community with 2 acre lots situated to take advantage of large garden tracts of 3-10 acre. Property could also be development as a co-housing community trust agricultural community. The owner of the property Susan Wagner is a Realtor and will entertain joint venture proposal from well-qualified developer/builders.
