## Overview

Invest in one of the best and luxury projects in Georgia, Tbilisi. Lisi Veranda Project is situated around the beautiful lake, Lisi. Marvellous view, fresh air, comfortable and luxury life. The projects is developed within the cooperation of TBC Bank and Holland Bank FMO. The apartment is in the 4th floor of the 5 floored new building. It has 2 bathrooms, 2 bedrooms, a separate and big kitchen with the view to the city and a big guest room with panoramic windows. A big terrace will let you enjoy with sunshine during summer days. As the apartment is sold very urgent, the price had been appointed lower than the market price at the moment.
